

Redmine - Feature #7149

Tracker logic upgrade

2010-12-21 14:14 - Novikov Igor

Status:	New	Start date:	2010-12-21
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description If tracker is chosen during issues select(via filters), m.b. on creation the same should be chosen by default. I mean "filters->TT tracker" -> "New issue" with preselected TT-tracker. To increase speed and avoid tracker errors:)
