

Redmine - Defect #7170

Custom attribute in REST response breaks ActiveResource

2010-12-24 11:30 - Yohann Monnier

Status: Closed	Start date: 2010-12-24
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	Affected version:
Resolution: Wont fix	

Description

For example in User api :

```
<users type="array" total_count="3" limit="25" offset="0">
```

These 3 attributes break the active resource parsing :

```
can't typecast "1" ....
```

Déjà vu ;)

History

#1 - 2010-12-24 11:50 - Yohann Monnier

Maybe these attributes could be optional ?

OR

We could unactivate it through a parameter..

#2 - 2010-12-29 19:23 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Wont fix

Redmine offers a way to get responses without these attributes.

See [Rest_api#Collection-resources-and-pagination](#).
