I've submitted a related task #7184.

#2 - 2011-03-15 23:39 - Rodrigo Recio

I've made a pull request on github with a code that expose trackers through REST, but no one use it.
Can anyone please do something about it?

Already support. You can tracker for a project by

```
http://www.redmine.org/projects/1.json?include[]=trackers
```
