It is possible to add to copy of the subprojects ?

Thanks and great job

#3 - 2011-02-11 21:11 - Brian Lindahl

I'm not sure what you mean, Luis.

related to #4403

#4 - 2011-04-04 09:06 - Luis Serrano Aranda

I have Redmine 1.1.2 (with your patch 1.1.0) and when I copy 2 tasks interrelated to another project the relations the relations disappear

I only update my patches with major releases, so if it's truly incompatible, you'll have to wait until 1.2.0.

#6 - 2013-06-15 17:37 - Toshi MARUYAMA

- Related to Feature #732: Bulk copy & move selected issues added
