Redmine - Patch #755

Change login field name

2008-02-29 20:57 - Rocco Stanzione

Status:	Closed		**Start date:**	2008-02-29

Target version:				

Description
Firefox (for one) doesn't recognize the field name "login" as a username field, so you can't save your login. Changing the form field name to "username" does the trick. This patch handles the controller and view for that change.

Associated revisions

Revision 1181 - 2008-02-29 22:18 - Jean-Philippe Lang

Login field name changed to username (#755).

History

#1 - 2008-02-29 23:49 - Jean-Philippe Lang

- Status changed from New to Closed

Committed in r1181 with small fix on the view. Tests were fixed as well :-)
