Redmine - Patch #7770

use unless in control structures where it improves readability

2011-03-04 01:43 - Anonymous

Status:	New		**Start date:**	2011-03-04
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Code cleanup/refactoring		**Estimated time:**	0.00 hour
Target version:				

Description
Use **unless** or **until** in control structures instead of **if !** or **while !** where it improves readability.

History

#1 - 2011-03-04 07:22 - Jean-Baptiste Barth

I think if blah.present? is easier to read than unless blah.blank? or if !blah.blank?, so we might switch to this in some cases you point out.

#2 - 2011-03-04 14:31 - Anonymous

yes that does makes more sense indeed. I looked it up here , **present?** is internally defined as **!blank?**
