+1

#6 - 2013-09-26 12:46 - Stanislav Shcherbakov

- File redmine.2.3.3.patch added

updated for redmine 2.3.3

#7 - 2013-10-01 08:26 - Stanislav Shcherbakov

- File show.html.erb.patch added

better patch mod.

#8 - 2013-10-18 19:46 - Luke van der Westhuyzen

+1 for subprojects as a bulleted list instead of comma delimited single line.

#9 - 2013-10-19 04:33 - Mischa The Evil

- Subject changed from make subprojects list more visible to Display subprojects as individual unordered list items on project overview

This can be unwanted for instances hosting projects with lots of subprojects, since it will produce a long list which increases page-scrolling for the overview page a lot.

#10 - 2013-10-20 13:00 - yac yac

+1

#11 - 2013-10-20 16:04 - Maurizio Totti

+1 :-)

Perhaps the solution would be to allow admins to choose if Projects Overview uses bulleted lists or comma separated lists. This complicates the patching a bit since it would require a new setting (in Settings > Display or Settings > Projects).

#13 - 2013-11-05 17:47 - Christoph Klessner

+1 for subprojects as a bulleted list instead of comma delimited single line. Preferably in alphanumerical order.

#14 - 2014-01-30 07:30 - Vikram Lele

+1 for subprojects as a bulleted list, ideally a settings option (Settings > Display or Settings > Projects)

#15 - 2014-02-14 15:30 - John Doran-Armstrong

+1! :)

#16 - 2014-04-16 15:32 - Luis Furtado

+1

include a way to list it using API.

#17 - 2016-08-05 01:09 - David Taylor

+1 Even a per-project setting would be good, that way project managers can decide the best display for their project. Another option would be to use a collapsible tree structure given that most sub projects are likely to be hierarchical.

#18 - 2018-07-29 16:48 - Go MAEDA

- Related to Patch #29289: Wrap subprojects in the overview section with an unordered list to improve customisation added

#19 - 2018-07-30 12:09 - Go MAEDA

- Has duplicate Feature #22122: Display Subprojects as a list in the project's Overview tab added
