<b>Category:</b>	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	<b>Affected version:</b>
<b>Resolution:</b> Duplicate	
<b>Description</b> I would like to be able to see all issues that were not given a due date. Unfortunately I cannot find a way to filter all issues by "empty" due date.  Any thoughts or workarounds? Thanks!	
<b>Related issues:</b> Is duplicate of Redmine - Feature #3395: add ability to filter on blank start... <b>Closed</b> <b>2009-05-20</b>	

### History

#### #1 - 2011-06-02 22:22 - Sergey Zagorodnykh

+1 For Suggestion.

Also need to improve list of values for another attributes like for example:

value "never" for "Updated", "empty" for "Start Date", "none" for Watchers, and count functionality for Wathers(>2 teammates),

In Redmine.org There is a ticket for Development which means that Core Team going to develop SQL Edit Area for Issues List Filtering.

I see next First Workaround:

Create Custom Field for Issues with "Deadline Date" label, with "Date" format and Set 3011/01/01 as default Value, also set check-box "Used as a filter".

In Issues List Set for this Custom Field next Filter condition "in more than" 100 days to find tickets.

#### #2 - 2011-06-03 09:02 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Duplicate

This is a FR, duplicating [#3395](#).
