Redmine - Defect #8512

Syntax highlighter on Welcome page

2011-06-03 12:42 - Vasiliy Marchuk

Status:	Closed		**Start date:**	2011-06-03
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	UI		**Estimated time:**	0.00 hour
Target version:	1.2.1			
Resolution:	Fixed		**Affected version:**	1.1.3

Description
In Redmine Admin -> Settings, there is a 'Welcome text' field, where I can enter test for the main page. While I can use <pre><code class="ruby">...</code></pre> in the welcome text and the syntax highlighter actually works (it parses the content), the stylesheet scm.css isn't included for the welcome page, and thus syntax isn't actually "highlighted".
