Resolution: Fixed	

Description

Maybe I didn't understand this, but I didn't get to add 2 files here at the same time.

The "Add another file"-link suggested I could, but it sent me to a another "New Issue" (and took away what I wrote :))

I see it links to </projects/redmine/issues/new>

- Status changed from New to Closed
- Resolution set to Fixed

This problem was specific to redmine.org (the javascript cache was not refreshed).
It's fixed. Thanks for pointing out.
