

Redmine - Defect #8744

Can not update email address on Redmine.org

2011-07-05 01:14 - Bevan Rudge

Status:	Closed	Start date:	2011-07-05
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Website (redmine.org)	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		

Description

This issue is about Redmine.org the website. And not (directly) about Redmine the software. I acknowledge this issue queue is not for support issues for Redmine.org website, but I can not find a more appropriate place to file this issue.

Steps to reproduce:

1. Log in to Redmine.org as a regular user (no additional privileges)
2. Go to <http://www.redmine.org/my/account>
3. (optional) Change anything
4. Click save

- **Expected behaviour:** A message stating changes were saved
- **Actual behaviour:** Redmine.org returns an error message "_Login has already been taken_"

1. Reload the page

- **Expected behaviour:** Changes have been saved
- **Actual behaviour:** Changes were not saved

I could not find any issues in the issue queue for Redmine the software that appear to relate to this.

History

#1 - 2011-11-20 18:47 - Jean-Philippe Lang

- Category changed from Accounts / authentication to Website (redmine.org)
- Status changed from New to Closed
- Resolution set to Fixed

This should be fixed now.
