#### History

### #1 - 2011-12-27 10:52 - Jérôme BATAILLE

I'm not sure to understand your real need, but it seems that this is related to the feature I propose : http://www.redmine.org/issues/9878

#### #2 - 2012-01-03 10:22 - Etienne Massip

- Subject changed from additive user managment for project managers to Additive user management for project managers

Туро.

### #3 - 2012-07-18 23:50 - Terence Mill

related to #7980 Feature "New user management permissions: add own member, change role own meber, delete own member"
