I confirmed the correction suggested by Jonathan Lahijani.

Assigned to Jean-Philippe since it only requests a commit.

#3 - 2008-03-31 22:55 - Jean-Philippe Lang

- Status changed from 7 to Closed

- Resolution set to Fixed

Fixed in r1314 and will be ported in 0.7.
Note: overflow:auto was added to html>body #content rather than #content so that IE6 ignores it.

All work done here.
