

Redmine - Defect #9660

Issues counters in roadmap only link to issues in the same project

2011-11-25 02:04 - Sridhar Dhanapalan

Status:	Closed	Start date:	2011-11-25
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Roadmap	Estimated time:	0.00 hour
Target version:	2.6.0	Affected version:	1.2.0
Resolution:	Fixed		
Description			
Steps to reproduce			
<ol style="list-style-type: none">1. in a project, create a new version with sharing set with all projects2. add issues from different projects to the version3. go to the version summary page, e.g. /versions/show/424. notice the counters of closed and open projects, just below the progress bar &mdash; the numbers are correct5. click on one of the counters to be taken to the list			
Expected behaviour			
The full list open/closed issues in the project is shown.			
Actual behaviour			
Only the matching issues in the <i>same project</i> are shown. Others are omitted.			
Workaround			
Manually edit the URL: change /projects/projectname/issues? to just /issues?.			
Server information			
OS: Ubuntu 10.04.3 LTS Database: mysql-common-5.1.41-3ubuntu12.10 Ruby: ruby1.8-1.8.7.249-2 Redmine: 1.2.0.stable.6069

Revision 13398 - 2014-09-14 11:41 - Jean-Philippe Lang

Fixed: Issues counters in roadmap only link to issues in the same project (#9660).

Contributed by Sridhar Dhanapalan.

History

#1 - 2011-11-25 23:35 - Jean-Philippe Lang

- Subject changed from closed/open issues counters in version summary only link to issues in the same project to Issues counters in roadmap only link to issues in the same project

- Category set to Roadmap

#2 - 2011-11-29 09:48 - Etienne Massip

- Status changed from New to Confirmed

- Target version set to Candidate for next minor release

I do confirm there is something wrong, but the answer is not that simple.

Notes:

- This issue most basic behavior is due to the use of version.project for 'Shared with all projects' versions; adding a version.top_project returning nil for this kind of version sharing might be a lead
- The version issue list is not exactly the same in version/show and version/index (a.k.a. Roadmap), I guess because of Display subproject issues administration setting
- This setting could be implemented another way in issue list with a Subproject filter set to none by default

#3 - 2014-05-13 15:28 - Danil Tashkinov

- File *fixed_roadmap_links.diff* added

Hi! We solve this problem by simple patch.

#4 - 2014-06-12 05:37 - Toshi MARUYAMA

- Target version changed from *Candidate for next minor release* to *2.6.0*

#5 - 2014-09-14 11:42 - Jean-Philippe Lang

- Status changed from *Confirmed* to *Closed*
- Assignee set to *Jean-Philippe Lang*
- Resolution set to *Fixed*

Patch committed in r13398 with slight changes: helper method renamed and moved to VersionHelper, thanks.
