Description

While investigating #9673 I came around another issue in the section-editing feature. When I was browsing the wiki page history view and clicked on the last version to show the current version of the page, I subsequently wanted to make another section-edit but noticed that the control-buttons where not displayed due to the version parameter which was included in the URL.

Environment:

- Redmine: source:/trunk@7962
- Ruby: 1.8.7 [x86_64-linux] (REE 1.8.7-2011.03)
- RubyGems: 1.3.7
- Rack: 1.1.2
- Rails: 2.3.14
- MySQL: 5.1.41
- Browser: Mozilla Firefox 7.0.1

Please let me know if more information is required.
